UNFAIRMEANS CASES

In view of strict measures adopted to curb the tendency of unfair means in the examination, remarkable improvement has been noted. Despite of our vast and comprehensive inspections only **13** cases in all could be detected with alleged use of unfair means in the examination halls and complaint received. The numbers of unfair means cases detected this year and so far decided are mentioned here under. A judicious procedure has been observed to decide all these cases. Before deciding the cases of alleged use of unfair means, maximum efforts have been made to provide fair opportunity of defence to all the candidates involved in such cases. A liberal offer has been made to the candidates to avail the chance of personal interview with Discipline committee and it has been ensured that personal hearing is granted to every such candidate who has shown his willingness for this purpose. All the undecided cases are pending for want of written reply from the candidates in response to charge sheet issued to them by the office. These candidates have been reminded more than once to submit their statements to the office to proceed further in the cases. All of them are hereby advised to submit their written defence to avoid ex-parte decision.
